We are eager to have as many young people as possible attend since they are likely to benefit most from this meeting. A certain number of presentations by graduate students and postdocs in this conference will be selected as fellowship (USD $100-$500) awards.

The Now and Future of RNA Therapeutics

Abstract deadline: April 14, 2023

Jun 19 - Jun 23, 2023

Awaji, Japan

Awaji Yumebutai International Conference Center
http://www.yumebutai.org

ORGANIZERS
Xiang-Dong Fu
University of California San Diego
Mofang Liu
Shanghai Institute of Biochemistry and Cell Biology, CAS
Marco Mangone
Arizona State University
Lynne Maquat
University of Rochester Medical Center
Mikiko Siomi
The University of Tokyo

KEYNOTE SPEAKERS
Lynne Maquat, University of Rochester Medical Center
Chuan He, University of Chicago
Don Cleveland, University of California San Diego
Tsutomu Suzuki, The University of Tokyo

MAJOR TOPICS
1. RNA from birth to death/from basic to translational
2. RNA targeting: Mechanisms and applications
3. RNA chemistry
4. Development of small RNA (siRNA, LNA, PNA, ASO) drugs
5. RNA delivery
6. Genome editing
7. Preclinical and clinical programs

INVITED SPEAKERS
Isabel Aznarez, Stoke Therapeutics
Vinod Balachandran, Memorial Sloan Kettering Cancer Center
Zicai Liang, Suzhou Ribo Life Science Co., Ltd
Jinzhong Lin, Fudan University
Hirosi Nishimasu, The University of Tokyo
Daniel Siegwart, UT Southwestern Medical Center
Osamu Takeuchi, Kyoto University
Willeke van Roon-Mom, Leden University Medical Centre
Takeshi Wada, The University of Tokyo
Yanli Wang, Institute of Biophysics, CAS
Ligang Wu, Shanghai Institute of Biochemistry and Cell Biology CAS
Yuanchao Xue, Institute of Biophysics, CAS
Chengqi Yi, Peking University
Chen-Yu Zhang, Nanjing University
Qiangfeng Cliff Zhang, Tsinghua University

And More...

FELLOWSHIPS
We are eager to have as many young people as possible attend since they are likely to benefit most from this meeting. A certain number of presentations by graduate students and postdocs in this conference will be selected as fellowship (USD $100-$500) awards.
